### You have a lot of questions and there is a lot to think about. It is not all going to get done right away, and that is OK!

- · Continue to do things you and the person diagnosed enjoy together.
- Make a follow-up medical appointment for the person within three months or less.
- Talk with the person's health care provider about safety concerns (driving, self-care, falling, etc.),
  as well as activities of daily living (eating, dressing, bathing, etc.)
- Begin planning for the future, involving the person as much as possible.
